Hello Again

Neil Diamond

Hello again hello
I just called to say hello
I couldn't sleep
At all tonight
And I know its late
I just couldn't wait

Hello my friends hello
I just called to let you know
I think about you every night
When I'm here alone
And your there at home
Hello

Lately it's been crazy
Maybe I'm to blame
But I put my heart above your head
We've been through it all and you love me just the same
And when your not there
I still need to hear

Hello again hello
Its good to need you so
Its good to love you like I do
I feel this way when I hear you say
Hello

Hello my friend hello
Just called to let you know
I think about you every night
And I know it's late but I could't wait
Hello.
