

A Life Time

Joshua Mike-Bamiloye

Intro/chorus:

Many choices

Several voices

Please hold my hands

You're my guide

Where you walk through

I will follow

Even if it takes me

A life time

Verse;

I'm trying to build a strong and better life

But the enemy holds on tight

It's like one step forward and it's two steps back

I need the power to fight

Because I still love you

And I want to do your blessed will

I may see myself dividing

But I will keep on fighting till I am no more

Chorus:

Many choices

Several voices

Please hold my hands

You're my guide

Where you walk through

I will follow

Even if it takes me

A life time

You are my Lord and I am your son

Lead me where you want and I will obey and I will follow

I surrender all so use every part of me

I want to say

Yes lord

When you call

Many choices

Several voices

Please hold my hands
You're my guide
Where you walk through
I will follow
Even if it takes me
A life time
Many choices
Several voices
Please hold my hands
You're my guide
Where you walk through
I will follow
Even if it takes me
A life time
Oooo
