

I See Fire (Franck Orff Interpretation)

Ed Sheeran

Oh, misty eye of the mountain below
Keep careful watch of my brother's souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sons If this is to end in fire
Then we should all burn together
Watch the flames climb high into the night
Calling out father oh stand by and we will
Watch the flames burn auburn on
The mountain side high And if we should die tonight
We should all die together
Raise a glass of wine for the last time
Calling out father oh
Prepare as we will
Watch the flames burn auburn on
The mountain side Desolation comes upon the sky Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze
And i hope that you'll remember me Oh, should my people fall then
Surely I'll do the same
Confined in mountain halls
We got too close to the flame
Calling out father oh
Hold fast and we will
Watch the flames burn auburn on
The mountain side Desolation comes upon the sky Now I see fire
Inside the mountains
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze
And I hope that you'll remember me And if the night is burning
I will cover my eyes

For if the dark returns then
My brothers will die
And as the sky is falling down
It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming out And I see fire
Inside the mountains
I see fire
Burning the trees
I see fire
Hollowing souls
I see fire
Blood in the breeze I see fire (fire)
Oh, you know I saw a city burning out
And I see fire (fire)
Feel the heat upon my skin
And I see fire (fire)
Uhhhhhhhhh
And I see fire
Burn auburn on the mountain side
