

# Been a Long Day

## How to Succeed in Business Without Really Trying E

It's been a long day  
And all I've got to say is make it strong  
It's been a long day  
And all I've got to say is I've been wrong  
So take a leave of absence  
Tell me you'll be gone  
I don't want to see your face  
It's been a long day  
And I just wanna hide away  
It's been a long week  
And all the lines come down heavy on me  
It's been a long week  
I'm finally feeling like it okay to break  
Into a thousand pieces  
No one can replace  
Only I can find my way  
It's been a long day  
And I just wanna hide away  
It's been a long year  
And everyone around me's disappeared  
It's been a long year  
And all this mess around me is finally clear  
So can I have a moment  
Just to say hello?  
Can you let your anger go?  
It's been a long year  
And I'm finally ready to be here
