

# Dirty Harry (instrumental)

## Gorillaz

I need a gun to keep myself from harm  
The poor people are burning in the sun  
But they ain't got a chance  
They ain't got a chance  
I need a gun  
'Cause all I do is dance  
'Cause all I do is dance I need a gun to keep myself from harm  
The poor people are burning in the sun  
No, they ain't got a chance  
They ain't got a chance  
I need a gun  
'Cause all I do is dance  
'Cause all I do is dance In my backpack  
I got my act right  
In case you act quite difficult  
And yo is so weakin'  
With anger and discontent  
Some are seeking and searching like me, moi I'm a peace-loving decoy  
Ready for retaliation  
I change the whole occasion to a pine box six-under  
Impulsive don't ask wild wonder  
Orders given to me is  
Strike and I'm thunder with lightning fast reflexes  
On constant alert from the constant hurt  
That seems limitless with no dropping pressure  
Seems like everybody's out to test ya  
'Til they see you brake  
They can't conceal the hate that consumes you  
I'm the reason why you flipped your soosa Chill with your old lady at the tilt  
I got a ninety days digit  
And I'm filled with guilt  
From things that I've seen  
Your water's from a bottle  
Mine's from a canteen  
At night I hear the shots  
Ring so I'm a light sleeper  
The cost of life,  
It seems to get cheaper  
Out in the desert

With my street sweeper  
The war is over  
So said the speaker with the flight suit on  
Maybe to him I'm just a pawn  
So he can advance  
Remember when I used to dance  
Man, all I want to do is dance I need a gun to keep myself from harm
