Best of Me

Yuna

I can see that lately you've been struggling
I know that you've been de-motivated
Saying, "Sometimes things just don't go your way and people gonna say some things about you"When you give everything, you give everything up for nothing
You'll find when you give everything, you give everything up for nothing
Just tell yourself thatYeah
I'm not gonna let you get the best of me today
All these people tryna bring out the worst in me
Come look at what you've created
I'm better than what you've been sayingCause once I was like you, the struggles that I've been through
Cause once I was like you, yeah oh ohI can see it now the world is changing people
Hiding faces behind screens
Throwing criticisms, you don't need all that
Just keep your head up high, keep walkingWhen you give everything, people hate to see that you're growing, you're growing
When you know everything, everything you've gone through is worth it
And you tell yourself that, yeah!I'm not gonna let you get the best of me today
All these people tryna bring out the worst in me
Come look at what you've created
I'm better than what you've been sayingCause once I was like you, the struggles that I went through
Cause once I was like you
Do it all just like youCome and see what you've created
Come and see if you like it
Challenge me and I might take it
Take it, take it!Yeah!
I'm not gonna let you get the best of me today
All these people tryna bring out the worst in me
Come look at what you've created
I'm better than what you've been sayingCause once I was like you, the struggles that I went through
Cause once I was like you
