Incomplete

Megan Joy

Am I incomplete?
Its how you make me feel,
You took away my best parts,
Replaced them with empty.Am I incomplete?
Cause thats just what you said.
You dont feel man enough,
To love someone like me.Am I incomplete?Days pass, the lonely we can see,
Every second I am alone.
Night comes only in dreams,
Every breath I take is my own.Sometimes I wanna cry out for you,
How can you live with yourself?Am I incomplete?
Its how you make me feel,
You took away my best parts,
Replaced them with empty.Am I incomplete?
Cause thats just what you said.
You dont feel man enough,
To love someone like me.Oh, am I incomplete?Days pass, im starting to see,
All I ever feel is alone.
Night comes, Im trapped in these sheets.
Every breath you take is your own.Sometimes I wanna cry out for you,
How do I live with myself?Am I incomplete?
Its how you make me feel,
You took away my best parts,
Replaced them with empty.Am I incomplete?
Cause thats just what you said.
You dont feel man enough,
To love someone like me.And every time, Im feeling lonely.
Every time, Im feeling sad.
I close my eyes, take in the sunlight.
Know that things, cant stay this bad.Can I be complete?
Cause thats the way I feel
Im getting back my best parts,
Replacing you my dear, yeah.I can be complete,
Yes, just what I said.
Im ready to be strong enough,
To love someone like me.Ohhhhhhhhhhhhhhhh
Ohhhhhhhhhhhhhhhh
Am I incomplete?
