Nazi Scum

Oi Polloi

Standing outsides the primary school gates
With their leaflets stirring up race hate
Creeping round in the dead of night
Setting innocent people's houses alight
They stab and kill in radical attacks
Just how much more before you fight back?Find them, grind them, grind themNazi scum, your time will comeA
Nazi rally planned for our town
But anti fascists came from all around
Cleared the scum completely off the streets
Showed the fascists can and will be beat
And when they tried to to gather in Hyde Park
Anti fascists again made their mark
On the brain head boneheads, who they wastedWe must clear the streets of Nazi scum
Make them safe again for everyone
No longer will we have to walk in fear
Of scum who have no place here
If we unite, the battle can be won
Stop the problem before it's really begunFind them, grind them, grind themNazi scum, your time will come
