

Water from the Well

Acappella

Chorus:

Give me water from the well that never runs dry
Give me water from the well that gives me hope when I die.
Give me water from the well that never runs dry.
And I will thirst no more.

Living water flowing from above
Through the Spirit of never ending love.
And I'm the first to declare my longing thirst
For the water that comes from above.

Repeat Chorus

Living water leads me to my goal.
Now refreshing and cleansing to my soul.
Truly I'm alive, and I know I can't survive
Without it, the pure waters flow.

Repeat Chorus

And I will thirst no more
