Walton Love

Reckless Kelly

I see you out there with your fellow
I don't know what to do
'Cause I been actin' like I don't care
But you see right through.

You know I want you
You can tell by the way I look at you
Hey, this guy there, you know he don't care
If you were mine I'd know what to do

I'd please you, never leave you
Never once leave you lonely'n' blue
Love you, none above you
Live and die for my love is true.

'Cause I'd do anything to be with you
I'd do anything to be with you

You can hurt me just don't desert me
My heart's been broken too
Before you stop me let me talk, please
Honey, hear me through.

'Cause you're the only one for me
I think you know that's true
And if you don't, take a chance
I'll take one on you. you. you.

I'd please you, never leave you
Never once leave you lonely'n' blue
Love you, none above you
Live and die for my love is true.

'Cause I'd do anything to be with you
I'd do anything to be with you
Baby, I'd do anything to be with you
