

Am I Black Enough For You?

Billy Paul

Am I black enough for you
Am I black enough for you
Am I black enough for you
Am I black enough for you We're gonna move on up
One by one
We ain't gonna stop
Until the work is done Am I black enough
Black enough for you
Am I black
Black enough for you We're gonna move on up
Two by two
And this whole world
Is gonna be brand new Am I black enough for you
Am I black enough for you Get in line
Stop marching in time
You better make up your mind
We're gonna leave you behind We're gonna move on up
Three by three
We gotta get rid of poverty I got to stay black
Black enough for you
I got to stay black
Black enough for you We're gonna move on up
Four by four
We ain't never
Gonna suffer no more I got to stay black
Black enough for you
I got to stay black
Black enough for you Get in line
Stop marching in time
You better make up your mind
We're gonna leave you behind Make up your mind
Stop marching in time
Get in line
You better make up your mind We're gonna get on up
Five by five
And this whole world
Is gonna come alive Am I black
Black enough for you
Am I black enough for you We're gonna move on up

Six by six
I gotta use my mind
Instead of my fists Am I black
Black enough for you
Am I black
Black enough for you We're gonna move on up
Seven by seven
We're God's children
And we got to get to Heaven Am I black enough for you
Am I black enough for you We gotta move on up
Eight by eight
Without no witness
We ain't too late Am I black
Black enough for you
Am I black
Black enough for you Freedom, freedom
It got to be spende
I could take it
If I could spend it one time We got to stay
Black enough for you
I gotta, gotta black
Black enough for you
