

# Smoke Rings

[k.d. lang](#)

Tell me where do they go  
These smoke rings I blow each night?  
What do they do  
These circles of blue and white? Why do they seem  
To picture a dream of love?  
Why do they fade  
My phantom parade of love? Puff, puff, puff, puff your cares away  
Puff, puff, puff night and day  
Blow, blow them through the air  
Silky little rings, those little smoke rings I love  
Take me above with you Puff, puff, puff, puff your cares away  
Puff, puff, puff night and day  
Blow, blow them through the air  
Silky little rings, those little smoke rings I love  
Please take me above, take me with you
