

I Miss You

Buddy Guy

I woke up this morning, sunlight shining in my eyes.
Woke up this morning, and I cried, Lord I cried.
Pillow dripping soaking wet, from dreams of you baby.
Been trying hard to forget, oh but what's the use, I'm hooked on you.
I miss you baby with all of my heart and soul.
Oh I miss you baby.
Oh I miss you baby.
And I need you too.

Day in and day out, I do nothing but mess up my life.
Trying to find a replacement for the love only you could provide.
What am I gonna do? Who's gonna love me, if you don't love me like you say you do?
Baby why couldn't you be true?
Cause I miss you baby
I miss you baby.
I miss you baby.
You are breaking my heart, tearing my heart apart.
What am I gonna do? I need your loving and your kisses too.

Oh I miss you baby.
I miss you.
Miss you baby.
I miss you.
Miss you baby.
Lord what am I gonna do?
I want you to bring it on home baby.
I miss you baby.
I miss you baby.
I miss you.
You can see it all in my walk.
Walk on over here.
You can tell by the way I talk.
You can talk to me all night long.
I miss you baby.
I miss you.
Oh, I miss you baby.
Come back to me tonight.
I'm coming home.
Girl I have to treat you right.
