

# IÂ've Been Around

## Nixon Now

(A. Schmidt)

IÂ've been to hollywood l.A.  
IÂ've been around  
IÂ've been to bristol and bombay  
IÂ've been around  
IÂ've ben tripping in disneyland  
IÂ've been around  
Been in a psychedelic band  
IÂ've been around

Been around your house today  
Been around the one who walked away  
Been around all way down mystery lane  
Been around iÂ'm flying the plane  
IÂ've been around

Been to the seven gates of hell  
IÂ've been around  
Had tons of girls to ring my bell  
IÂ've been around  
IÂ've seen the beauty and the beat  
IÂ've been around  
I had the clap seven times at last  
IÂ've been around

Been around your house today  
Been around the one who walked away  
Been around all way down mystery lane  
Been around iÂ'm flying the plane  
IÂ've been around

IÂ've been to hollywood l.A.  
IÂ've been around  
IÂ've been to bristol and bombay  
IÂ've been around  
Been to the seven gates of hell  
IÂ've been around  
Had tons of girls to ring my bell

IÂ've been around

Been around your house today  
Been around the one who walked away  
Been around all way down mystery lane  
Been around iÂ'm flying the plane

IÂ've been around

Yeah yeah yeah

IÂ've been around

---
