Get Used To It

The Brand New Heavies

Didn't you go out in the morning?
Didn't you go out in the evening?
I was ready for anything

I don't mind, I won't find out anyway
I'm too blind, to see you at all

Can I have what I feel that I must have?
Multiply by ten, that's what I think I need
Overshadow your life
Do you like asphyxiation?

I don't mind, I won't find out anyway
I'm too blind
I don't mind, I won't find out anyway
I am too blind to see you at all
