23 seconds, all things we love will die
23 magic, if you can change your life
Your tainted heart, your tainted heart
my tainted love, my tainted love
repent now

How many times ?

As long as you live, how many times ?

The world will go around

He was a friend of mine

he was a son of god

he was a son of a gun

He was a friend of mine

he was a son of god

he was a son of a gun

23 seconds, in you I see a chance

23 magic, if you change the name of love

Your crazy heart, your crazy heart

my crazy love, my crazy love

repent now

How many times ? As long as you wish

How many times ? The world will go around

How many times ? As long as you want

How many times ? The world will go around

He was a friend of mine

he was a son of a gun

he was a son of god

He was a friend of mine

he was a son of a gun

he was a son of god

He was a friend of mine

he was a son of a gun

he was a son of god
