

Take Me to the World (with Antonio Banderas)

Barbra Streisand

Her:

Let me see the world with clouds

Take me to the world

Out where I can push through crowds

Take me to the worldA world that smiles

With streets instead of aisles

Where I can walk for miles with youTake me to the world that's real

Show me how it's done

Teach me how to laugh, to feel

Move me to the sunJust hold my hand whenever we arrive

Take me to a world where I can be alive

Him: The world is better here. I know I've seen them both.Let me see the world that smiles Him: A poet doesn't
count for much out there

Take me to the worldHim: We'd be cold and hungry in the winter

Somewhere I can walk for milesHim: A shabby room with cracked plaster

Take me to the worldHim: You couldn't get a jobWith all around things growing in the ground Him: We'd end
up hating each other.

We'd have fights. You'd cry.

Where birds that make a sound are birdsLet me see the world that's real Him: I have seen the world

Show me how it's doneHim: And it's mean and ugly

Teach me how to laugh, to feelHim: We could laugh togetherMove me to the sunHim: Stay here with meJust
hold my hand whenever we arrive Him: Stay here. I love you. But we're happy here

Let it be a world with youHim: Stay with me

Any other world with you

Take me to a world where I can be aliveHim

Do you want the world ?

Well then, you shall have the world

Ask me for the world again

You shall have the worldA world of skies

That's bursting with surprise

To open up your eyes for joyWe shall see the world come true

We shall have the world

I won't be afraid with you

We shall have the world

You'll hold my hand and know you're not aloneYou shall have the world to keep

Such a lovely world you'll weep

We shall have the world forever for our own
