Magical World

Ian McCulloch

I called your name out loud in the courtyard
The crystal I held was like an old friend
The vines crawled the walls, the wind held it's breath
But the answer I longed for never came
Your name, they had said was cursed beyond measure
The families at odds fought with poisoned tongues
And yet through the dark of blind, bitter hate
Broke a glittering light of two lover's fate
Walls built between us, miles seperate us
Yet in our hearts, we share the same dream
Feelings so strong, we just must carry on
On to our magical world
Destiny called them like a silver poem
They followed the dance 'till the music died out
Last time they met was on an earth bed
Both knowing they'd meet again in the light
Walls built between us, miles seperate us
Yet in our hearts, we share the same dream
Feelings so strong, we just must carry on
On to our magical world
In our magical world, in our magical world
Fear not, dear Juliet, your Romeo's calling
He's waiting for you at the end of the song
This world was too cruel for lovers like you
But here in our hearts you'll always live on
Walls built between us, miles seperate us
Yet in our hearts, we share the same dream
Feelings so strong, we just must carry on
On to our magical world
Walls built between us, miles seperate us
Yet in our hearts, we share the same dream
Feelings so strong, we just must carry on
On to our magical world
Walls built between us, miles seperate us
Yet in our hearts, we share the same dream
Feelings so strong, we just must carry on
On to our magical, magical, magical world
Between us, so strong
On to our magical, magical, magical world

Between us, so strong
On to our magical, magical, magical world
