

# The Spell

## Alphabeat

I've been thinking about you lately  
You're on my mind  
You do something to me baby  
In ways I can't define Whatever you're doing, you're doing it well  
What is your secret, won't you please tell?  
'Cause my head is spinning, spinning around  
You let me know, boy, I won't let you down You put a spell on me, I don't know what to do  
It's an ability, that draws me closer to you  
Your magic has got me where I want to be  
Your magic is happening in front of me There's a power within you, baby  
It's controlling me  
I know there's no way to fight it  
I let it be Whatever you're doing, you're doing it well  
What is your secret, won't you please tell?  
'Cause my head is spinning, spinning around  
You let me know, boy, I won't let you down You put a spell on me, I don't know what to do  
It's an ability, that draws me closer to you  
Your magic has got me where I want to be  
Your magic is happening in front of me You put a spell on me, I don't know what to do  
It's an ability, that draws me closer to you  
Your magic has got me where I want to be  
Your magic is happening in front of me Can you feel the power lurking, baby girl?  
I think the spell is working, ah-oh  
Can you feel the power lurking, baby girl?  
I think the spell is working, oh You put a spell on me, I don't know what to do  
It's an ability, that draws me closer to you  
You put a spell on me, I don't know what to do  
It's an ability, that draws me closer to you  
Your magic has got me where I want to be  
Your magic is happening in front of me You put a spell on me, I don't know what to do  
It's an ability, that draws me closer to you  
Your magic has got me where I want to be  
Your magic is happening in front of me
