

All This Love

Faith Evans

Come on over here, lay down next to me, let me tell you something
That I've been meaning to say for a long time
Baby it's been some time since we first met
And every day with you is like no other All this love you're giving me
I know just what to do
I'll take the love you're giving me
And give my love to you You give your love so freely and you give it so abundantly
I just want to be able to give it back to you
Come on baby let me tell you, tell you all the things I feel
'Cause if it wasn't for your love, oh yeah
I don't think I would know what's real All this love you're giving me
I know just what to do
I'll take the love you're giving me
And give my love to you You got me singing
La, la, la
La, la, la
La, la, la You got me singing
La, la, la
La, la, la
La, la, la All this love you're giving me
I wanna give, just let me give it back to you
I'm loving all this love you're giving me
I wanna give, just let me give it back to you I'm loving all this love you're giving me
I wanna give, just let me give it back to you
I'm loving all this love you're giving me
I wanna give, just let me give it back to you I'm loving all this love you're giving me
I wanna give, just let me give it back to you
I'm loving all this love you're giving me
I wanna give, just let me give it back to you I'm loving all this love you're giving me
I wanna give, just let me give it back to you
I'm loving all this love you're giving me
I wanna give, just let me give it back to you
