Nothing Better

American Authors

I don't believe it, I don't believe it
I don't believe it's true
There is nothing better than you
La di da di doo, there is nothing better than youYou're right, I'm wrong
Every single time
You're perfect, and it's true
You're hot, I'm cold
Every single night
I'm nothing without youI don't believe it, I don't believe it
I don't believe it's true
There is nothing better than youSlow it down, hurry up
Never miss a beat
All the beautiful things you say
Button up, tuck it in
Always looking at me
You make me look so greatA search for gold, oh yeah
But I found you
'Cause I've been high, yeah, I've been low
But I'm nothing without youI don't believe it, I don't believe it
I don't believe it's true
There is nothing better than you
La di da di doo, there's nothing better than you
All that we've been through, there is nothing better than youHot mess, hot damn
I'm always on by
But you keep me on my toes
Bury it, dig it up
I'm working hard
I'm reaping what I sewA search for diamonds, yeah
But I found you
'Cause I've been high, yeah, I've been low
But I'm nothing without youBut I don't believe it, I don't believe it
I don't believe it's true
There is nothing better, there is nothing better
There is nothing better than you
All that we've been through, there is nothing better than you
La di da di doo, there's nothing better than you
All that we've been through, there is nothing better than youAll this talk about love, it's just a feeling
It's just a feeling
I let it all go

All this talk about love, it's just a feeling
It's just a feeling
I let it all go
All this talk about love, it's just a feeling
It's just a feeling
I let it all go
All this talk about love, it's just a feeling
It's just a feeling
I let it all goBut I don't believe it, I don't believe it
I don't believe it's true
There is nothing better, there is nothing better
There is nothing better than you
La di da di doo, there is nothing better than you
All that we've been through, there is nothing better than you
La di da di doo, there is nothing better than you
All that we've been through, there is nothing better than you
