Digital Witness

St. Vincent?88

Get back, to your seat
Get back, gnashing teeth
I want all of your mindPeople turn the TV on, it looks just like a window
People turn the TV on, it looks just like a windowDigital witnesses
What's the point of even sleeping?
If I can't show it, you can't see me
What's the point of doing anything?This is no time for confessing
I want all of your mindPeople turn the TV on, it looks just like a window
People turn the TV on, it looks just like a windowDigital witnesses
What's the point of even sleeping?
If I can't show it, you can't see me
Watch me jump right off the London BridgeThis is no time for confessingPeople turn the TV on and throw it out the windowGet back, to your stare
I can but I don't careWhy?
I want all of your mind
Give me all of your mind
I want all of your mind
Give me all of itDigital witnesses
What's the point of even sleeping?
If I can't show it, you can't see me
What's the point of doing anything?What's the point of even sleeping
So I stop sleeping, yeah, I stop sleeping
Won't somebody sum it up to me
