Pieces

Cheva

Verse 1:

(It's now, begun, it's hard to see when, you're no one.)

And I'll force it! 'Cause I want it! though it's time when the walls all close in!

(But now I've seen, a big one. Kill you.)

AND i WANT IT, AND I NEED IT, MY MIND'S BEEN BLOWN TO PIECES (WHAT IF I JUST SEE IT, FEEL YOUR SORROW?) AND I WANT IT, AND I NEED IT, MY LIFE'S TIME IT'S DECEIVING.

(you gotta point. Hahaha. Oh sh*t!)

YOU FALL SHORT YET, SO CLOSE THAT, I CAN'T FIND MY DAMN PERSPECTIVE (WHAT IF I KEEP HIDING, BEING YOUR, ANTI-WHITE FLAG? YEAH) BUT I WANT IT, AND I NEED IT, MY LIFE'S BLOWN TO PIECES (WHAT IF I COULD SEE IT, FEEL YOUR SORROW?) AND I WANT IT, AND I NEED IT, MY LIFESTYLE IS A SECRET!

Chorus:

Rushed into my last, wish, yeah, only to change it tomorrow. I stand here upon it, yeah, yeah, rush into my life.

Verse 2:

I don't want it, don't need it, don't watch it fall to pieces. Wouldn't want it, wouldn't deal it, my death bed all too wasted. IT wouldn't bother me, live by day, oh God, don't let it be me. Wouldn't run away, wouldn't some say! Well I'm back, but I'm dying?

(What if I say that, gosh I'm sorry?) And I want it, and I need it, my life's, blown to pieces! (What if I don't see it, feel, your, sorrow?) And I want it, and I need it, my life DARKNESS TO SAY!

Chorus:

Rushed into my last, wish, yeah, only to change it tomorrow, I stand here upon it, yeah, yeah, rushed into my. Rush into my last wish. Only to change it tomorrow, yeah, yeah, rushed into my... rush into my, last wish. Only to change it tomorrow. yeah, yeah, rush into my...
