Someday She Is Going to Hit Back

Thin Lizzy

Woman don't like it hurting her this way
(Someday she is going to hit back)
The woman don't like me in her own way
(Someday she is going to hit back)Woman don't like it treating her like this
(Someday she is going to hit back)
The woman she don't love the lonely
(Someday she is going to hit back)Woman don't like it begging on her knees
(Someday she is going to hit back)
Oh please, please, don't desert me
(Someday she is going to hit back)Woman don't like it treating her this way
(Someday she is going to hit back)
There is tenderness in the heart of the lonely
(Someday she is going to hit back)Someday she is going to hit back
Someday she is going to hit back
Someday she is going to hit back
Someday she is going to hit backWoman don't like it
Woman don't like it
Woman don't like it
Woman don't like itSomeday she is going to hit back
Someday she is going to hit back
Someday she is going to hit back
Someday she is going to hit backShe feels so lonely
(Woman don't like it)
She feels so blue
(Woman don't like it)He has lost her now
(Woman don't like it)
Oh woman, you knew what she could do
(Woman don't like it)Woman don't like it says it has to stop
(Someday she is going to hit back)
The woman she says she doesn't love me
(Someday she is going to hit back)Woman don't like it the woman don't say a lot
(Someday she is going to hit back)
With one last kiss she leaves him lonely
(Someday she is going to hit back)
