It Was Me

Yung Simmie

They askin who was it...
They askin who was it?
It was me
I did that
It was me!Who came with all the bitches?
Who rollin up the weed?
Who came with them double cups, pouring up the team?
Who came to get it started?
Who came with them bottles?
He a role model with the models
Who made ya girl follow, who made ya girl swallow?
Who do that thang thang poppin collars
Who bout big dollars?
Who got them bitches lined up in columns?It was me..
(See i told you it was me!)
Looked in the mirror, it was me
(Now you know!)
Looked in the mirror, it was me
(I did that)
They was askin who did it, it was me
It was me
It was meI did that, I came with the loud pack
Mac Daddy, tell yo bitch better roll that
Turnin up, cuz there ain't no turnin round
Smokey the Bear, I got them trees burnin down
IT was me who took yo chick
Let her sit where I sit
You know I spit game like a loose lip
It was me, I used her and gave her back
Like velcro, you know I had to use the strap
It was me just vibin
Duckin the sirens
Why is you tryin, I strike like lightning
Smokin purple weed, I'm a fan of the vikings
You niggas is rocks I step over like I'm hiking
Most dont like it, me I love it
I just do me and the group in public
...and the public love it
It was me if they ask who was itWho came with all the bitches?

Who rollin up the weed?
Who came with them double cups, pouring up the team?
Who came to get it started?
Who came with them bottles?
He a role model with the models
Who made ya girl follow, who made ya girl swallow?
Who do that thang thang poppin collars
Who bout big dollars?
Who got them bitches lined up in columns?It was me
Looked in the mirror
It was me
Looked in the mirror
It was me
They was askin who did it
It was me
It was me
It was me
