## Garbage

I can't use what I can't abuse  
And I can't stop when it comes to you  
You burned me out but I'm back at your door  
Like Joan of Arc coming ack for moreI nearly died  
I nearly died  
I nearly died  
I came to cut you up, I came to knock you down  
I came around to tear your little world apart  
I came to shut you up, I came to drag you down  
I came around to tear your little world apart and break your soul apartAh, you burn and burn to get under my skin  
You've gone too far now I won't give in  
You crucified me but I'm back in your bed  
like Jesus Christ coming back from the deadI nearly died  
I nearly died  
I nearly died  
I came to knock you up, I came to cut you down  
I came around to tear your little world apart  
I came to rock you up, I came to shout you down  
I came around to tear your little world apart and break your soul apartI nearly died  
I nearly died  
I nearly died  
I came to cut you up, I came to knock you down  
I came around to tear your little world apart  
I came to shut you up, I came to suck you down  
I came around to tear your little world apartTear your little world apart  
Tear your little world apart and break your soul apart  
I can't stop when it comes to you  
I can't stop when it comes to you  
When it comes to you  
When it comes to you
