

# Insatiable

## Phobiatic

Can't check myself at all  
Break my fist on the fucking wall  
Because raw instinct is all I know  
    And it suits me just fine  
    Convince myself that my  
Actions aren't received as spite  
Then passionately is how I'll go  
    And it suits me just fine  
When I have everything I want  
    Will I be good enough?  
    But I can't have everything  
'Cause nothing's good enough  
    I'm insatiable  
And I hunt down my dreams  
    It's the only thing I know  
    Suddenly anger cripples  
Colors red everything around me  
Sometimes we hurt the ones that we love  
    And it kills me inside  
Then I will pay a price, you see  
    The cost is overbearing  
The price I pay could be undreamed of  
    And it kills me inside  
When I have everything I want  
    Will I be good enough?  
    But I can't have everything  
'Cause nothing's good enough  
    I'm insatiable  
And I hunt down my dreams  
    It's the only thing I know  
    I'm insatiable  
    Don't look down on me  
I can bear this burden alone  
    This constant dark craving  
    Ripping apart my soul  
'Cause nothing's good enough  
    I'm insatiable  
And I hunt down my dreams  
    It's the only thing I know

I'm insatiable  
Don't look down on me  
I can bear this burden alone  
This constant dark craving  
Ripping apart my soul  
I'm insatiable
