

# Goodnight Georgie

## Clinic

Goodnight George  
Goodnight Grace  
You know the sun mans on his way  
Beating a path on the alleyway  
Beginning to laugh in his favorite place  
Here he comes  
As your dreaming  
Dreaming for a starling  
Goodnight Georgie  
Goodnight Queen  
Now you know what can come from dreams  
All that you ask for comes from dreams  
All that you ask for comes for free  
Shhhh now hush  
As your dreaming  
Dreaming for a starling  
Cut my leash just roll  
Come my little it makes him older  
Now we know what's good for a starling  
Oh my darling shall we dance?  
So now hush  
As your dreaming  
Dreaming for a starling  
Cut my leash just roll  
Come my little it makes him older  
Now we know what's good for a starling  
Oh my darling shall we dance?  
Goodnight George  
Goodnight Queen  
Now you know what can come from dreams  
Goodnight
