

After All Is Said and Done

Junip

Can't remember when we last
Took the time to see a sunset
Fleeting moments in your dreams
Silhouettes in scattered fragments
All the past so way behind
Reminds you what you once wanted
Once you've felt you've found the way
Left your all ambitions by the lake bed
On each corner you'll see
 Fresh and new horizon
 And it's all about you and me
 And what we can do that matter
 As the waves come and go
First and each one underneath the snow
 Lies the grass ready to grow
 After all is said and done
 After all is said and done
