

She Is Beautiful

Andrew W.K.

I never knew girls existed like you
But now that I do, I'd really like to get to know you
The girl's too young, she don't need any better
It's all coming back, I can feel it
The girl's too young, she don't know any better
It's all coming back, I can feel it
She is beautiful, she is beautiful
She is beautiful, she is beautiful
The girl is beautiful
You're giving me rules and hints from all sides
And when you hit my back, you melt my eyes
The girl's too young, she don't need any better
It's all coming back, I can feel it
The girl's too young, she don't know any better
It's all coming back, I can feel it
And though I never know you I look at your face
To tell you that I love you don't know what to say
Give everything I got to the beautiful girl
The only thing I live for in the whole wide world
She is beautiful, she is beautiful
She is beautiful, she is beautiful
The girl is beautiful
I ain't got nothing to lose
(Nothing to lose)
Going to throw it away and talk to you
(She looks good)
She looks good
(And it's true)
And it's true
The girl is beautiful
She is beautiful
I ain't got nothing to lose
(Nothing to lose)
When I'm living one time and I want you
(She looks good)
She looks good
(And it's true)
And it's true
The girl is beautiful
She is beautiful
She is beautiful, she is beautiful
Na na na na na na na na
She is beautiful, she is beautiful
Na na na na na na na na
She is beautiful, she is beautiful
Na na na na na na na na
She is beautiful, she is beautiful
Na na na na na na na na
I ain't got nothing to lose
(Nothing to lose)

Going to throw it away and talk to you
(She looks good)
She looks good
(And it's true)
And it's true
The girl is beautiful
She is beautiful I ain't got nothing to lose
(Nothing to lose)
And I'll never forget when I saw you
(She looks good)
She looks good
(And it's true)
And it's true
The girl is beautiful
She is beautiful
