

Close To You

Bebe & Cece Winans

I just want to be close to you
Sunshine, moonlight, delight
Just a couple words describing who you are
Lovely, so lovely, want everyone to know
Why I'm in love with you
Patient and strong, always
No matter what I face you've been there
To see me through, just right on time
(Right on)

It took a while to see that your love was true

Now no one can

(Undo)

I belong

(To You)

Until the end

(Of time)

It's good to know

(Good to know You're mine)

And all I want

(To say)

'Til my dying

(Dying day)

I just want to be close to you

Honest and sweet

Heaven is where I want to be

Where I am, when I'm with you

Perfect, yes perfect

It's what you gave all the world to see

Now no one can

(Undo)

'Cause I belong

(To you)

Until the end

(Of time)

Good to know

(You're mine)

And all I want

(All I want to do is say 'til my dying day)

I just want to be close to you
Come on CeCe, follow me
It took a while to see now we know the truth
Now no one can
(Undo)
I belong
(To You)
Until the end
(Of time)
Good to know
(Good to know you're mine)
And all I want
(All I want to say 'til my dying day)
I just want to be close to you
Yeah, yeah, yeah, yeah
How long will you stay?
I just wanna be close to You
