Are You Ready

Three Days Grace

You'd said we'd never get this far
You said your words, we've played our parts
Said your two cents, now it's my turn
So, sit down, shut up, are you ready?So, you think you know
How this story goes?
Are you ready for this?Sit down, are you ready for this?
Shut up, are you ready for this?
Stand up, are you ready for this?
This game, are you ready?I thought you'd never come this far
I thought your words meant something more
Said my two cents now
It's your turn, so stand up and scream
Are you ready?So you think you know
How this story goes?
Are you ready for this?Sit down, are you ready for this?
Shut up, are you ready for this?
Stand up, are you ready for this?
This game, are you ready?
Are you ready?Are you ready for this?
Sit down, are you ready for this?
Shut up, are you ready for this?
Stand up, are you ready for this?
This game, are you ready for this?
