Life Is But A Dream

Dion

Will you take part in my life, my love?
That is my dream
Life is but a dream, it's what you make it
Always try to give, don't ever take it
Life has its music, life has its song of love, love
Life is but a dream and I dream of you
Strange as it seems all night I see you
I'm tryin' to tell you just what you mean to me

Whoa, I love you with all my heart
I adore you and all your lovin' charms
I want you to do your part
Come here to my open arms
Life is but a dream and we can live it
Oh, we can make a love, none to compare with
Oh, will you take part in my life, my love?
That is my dream, life is but a dream
