Cash Cow

We Are Scientists

Well, I've been taking my time
Slow goings, nothing new to me
I've been taking my time
Slide up, just drop everything
Falling out of my car
I'm not sure what I'm doing here
Somehow wherever we are
I'm not sure what I'm doing here
I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash-in
And I'm not gonna wait for anything to happen, no, ohh
Well, I've been talking a lot
I'm not saying much of anything
I've been talking a lot
I'm not saying much of anything
I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash-in
And I'm not gonna wait for anything to happen, no, ohh
I've been taking my time
I've been taking my time
I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash-in
I'm not gonna wait for anything to happen, no, ohh
I'm not gonna wait for anything to happen
All of this at once, I'm ready for the cash-in
I'm not gonna wait for anything to happen, no, ohh
