

Fool's Game

Bonnie Raitt

Bad mistake, crying shame
Get on playing that damn fool's game
Bad mistake is a crying shame
Get on playing that damn fool's game
Stopping thinking about what you want to do
Then taking a good look what's looking real good to you
I think we're hard about what it is you see
Is that really where you want to be
Look were hard alone
Seeing what's going on
It's a fool's game
Well, you're living rough, you're living on the street
When you're mind and your body and soul it ain't what you think
Well, you got a good parade energy use it if you can
You're gonna lie yourself to be a ragged on by the man
But there's a lot of jungle
There's a lot of land, to get caught in the middle
To try to make the best you can
It's a fool's game
It's a damn fool's game
It's a fool's game
It's a damn fool's game
But there's a lot of jungle
There's a lot of land, to get caught in the middle
To try to make the best you can
It's a fool's game
It's a fool's game
It's a fool's game
It's a fool's game
It's a fool's game
It's a fool's game
It's a fool's game
It's a fool's game
Bad mistake, crying shame
Get on playing that damn fool's game
Bad mistake is a crying shame
Get on playing that damn fool's game
Bad mistake, crying shame
Get on playing that damn fool's game
Bad mistake is a crying shame
Get on playing that damn fool's game
Bad mistake, crying shame
Get on playing that damn fool's game
