Something 'Bout July

Incognito

What would you do if you were me? I caught a glimpse of what could be
I can't explain the way I feel, but I am certain that itâ€™s real. Itâ€™s real
Forget tomorrow and love me now, abandoned dreams that that once belonged
Thereâ€™s no more doubts inside my head tonight
When I didn't think that anything would ever turn out right

Thereâ€™s something â€˜bout July, she changed the scene all in one day
Thereâ€™s something â€˜bout July, I took to her right away
Something â€˜bout July
Something wonderful about July

Just how all this has come to be, I donâ€™t know how and I donâ€™t know why, oh why?
Iâ€™m like a teenage driver at the lights, I just canâ€™t wait, I just canâ€™t wait to be movinâ€™ on
Forget tomorrow and love me now, abandoned dreams that that once belonged
When I look back at the way it used to be
When I didn't think that anything would turn out right

I know it's only the beginning and time's not ever what it seems
Donâ€™t want to shake this early feelinâ€™, I feel that she is here to stay

July, Julyâ€¦
Something about that girl
Julyâ€¦
What would you do if you were me? Caught a glimpse of something that could be
Something about the way she makes me feel
She changed the scene all in one day
Something about her got me right away
Hey there girl listenâ€¦
Forget tomorrow and love me now
