Brown Haired Boy

Sweetbox

Okay, one day summer afternoon
Just me nothing much to do
Then he swayed on by me
Brown hair and a wicked bodyNo words 'cause he was shy
I winked and just said, "Hi"
He laughed 'cause he was speechless
You're cute, you wanna come with me?I said come here, move a little closer
Leave me breathless tuggin' on my hips, he saidMmm mmmm mmm mmmm mmm mmmm
My little brown haired boy
Mmm mmmm mmm mmmm mmm mmmm
My little brown haired boyAll day and then all night
I kissed and loved him right
I showed him a few tricks
Gave him more than a first kissHe saw my tan lines
Found out how to have a good time
I can't forget that boy's hips
Still smell and taste his sweet lipsI said come here, move a little closer
Leave me breathless tuggin' on my hips, he saidMmm mmmm mmm mmmm mmm mmmm
My little brown haired boy
Mmm mmmm mmm mmmm mmm mmmm
My little brown haired boyYears later on subway train I heard a sly voice whisper my name
And lips that felt familiar gently went and kissed my shoulders
And I said, "Well, boy isn't this a surprise
I never thought I'd see your brown eyes
Where you been 'cause I've learned a whole lot since then"I said come here, move a little closer
Leave me breathless tuggin' on my hips, he saidMmm mmmm mmm mmmm mmm mmmm
My little brown haired boy
Mmm mmmm mmm mmmm mmm mmmm
My little brown haired boyMmm mmmm mmm mmmm mmm mmmm
My little brown haired boy
Mmm mmmm mmm mmmm mmm mmmm
My little brown haired boy
