Invisible (One More Light Live)

LINKIN PARK

I've got an aching head
Echoes and buzzing noises
I know the words we said
But wish I could've turned our voices downThis is not black and white
Only organized confusion
I'm just trying to get it right
And in spite of all I should've doneI was not mad at you
I was not trying to tear you down
The words that I could've used
I was too scared to say out loudIf I cannot break your fall
I'll pick you up right off the ground
If you felt invisible
I won't let you feel that now
Invisible, invisible
Invisible, invisibleYou didn't get your way
And it's an empty feeling
You've got a lot to say
And you just want to know you're being heardBut this is not black and white
There are no clear solutions
I'm just trying to get it right
And in spite of all I should've doneI was not mad at you
I was not trying to tear you down
The words that I could've used
I was too scared to say out loudIf I cannot break your fall
I'll pick you up right off the ground
If you felt invisible
I won't let you feel that now
Invisible, invisible
Invisible, invisibleThis is not black and white
There are no clear solutions
I'm just trying to get it right
And in spite of all I should've doneI was not mad at you
I was not trying to tear you down
The words that I could've used
I was too scared to say out loudIf I cannot break your fall
I'll pick you up right off the ground
If you felt invisible
I won't let you feel that nowInvisible, invisible
Invisible, invisible

Invisible, invisible
Invisible, invisible
