

Invisible (One More Light Live)

LINKIN PARK

I've got an aching head
Echoes and buzzing noises
I know the words we said

But wish I could've turned our voices downThis is not black and white

Only organized confusion
I'm just trying to get it right

And in spite of all I should've doneI was not mad at you

I was not trying to tear you down
The words that I could've used

I was too scared to say out loudIf I cannot break your fall

I'll pick you up right off the ground

If you felt invisible

I won't let you feel that now

Invisible, invisible

Invisible, invisibleYou didn't get your way

And it's an empty feeling

You've got a lot to say

And you just want to know you're being heardBut this is not black and white

There are no clear solutions

I'm just trying to get it right

And in spite of all I should've doneI was not mad at you

I was not trying to tear you down

The words that I could've used

I was too scared to say out loudIf I cannot break your fall

I'll pick you up right off the ground

If you felt invisible

I won't let you feel that now

Invisible, invisible

Invisible, invisibleThis is not black and white

There are no clear solutions

I'm just trying to get it right

And in spite of all I should've doneI was not mad at you

I was not trying to tear you down

The words that I could've used

I was too scared to say out loudIf I cannot break your fall

I'll pick you up right off the ground

If you felt invisible

I won't let you feel that nowInvisible, invisible

Invisible, invisible

Invisible, invisible

Invisible, invisible
