

Le Bien, Le Mal

Guru

(Striker)

1993, Paris-Brooklyn

La puissance du son

WHUUUUT !!!!(Guru)

It's...Chorus:

(Guru) The good, the bad

(MC Solaar) Le bien, le mal

(Guru) The good, the bad

(MC Solaar) Le bien, le mal(MC Solaar)

Il Ã©tait vraisemblable que tous les faux semblants

De la farce humanitaire aboutiraient au nÃ©ant

C'est une boule Ã facettes comme dans les discothÃques

Ca reflÃte Ã la lumiÃre et sans elle, ffff ! du vent.

J'aime les images fortes car je suis comme toi

Le poids des mots et le choc des photos(Guru)

Hey yo, it's time to get up,

time to change the world for some better, cos I'm fed up

We're gonna expose the wrong that's been going on

There's people dying in the streets still

in every city, lots of kids they beat ill

I live in Brooklyn, got boys all over been

around the world and you know that I know...Chorus(MC Solaar)

L'homme qui prend le microphone se nomme Solaar

MaÃtre de la rime urbaine accompagnÃ des comparses et de Gangstarr

A Paris en France comme dans la Rome antique

Imite le maÃtre, malgrÃ le mythe comme Spartacus... (imitait le mec)

Qui millimÃtre aprÃs millimÃtre check l'intellect Ã des kilomÃtres

It's your turn, Guru(Guru)

Crazy madness, it's all I see out my window

It doesn't matter who's the president, yo

I hate to tell ya, but slavery is still in effect

Haven't you checked, us black folks create for ya I make a bet, if you

don't let the truth out huh

Evil will rule without a doubt And it's...Chorus(Guru)

Solaar...(MC Solaar)

C'est le monde des affaires, OPA sur la misÃre

Le rÃel me nargue, tralalalalÃre

L'air de rien je doute de l'existence des Dieux

De l'existence du mieux dans un lieu plus pieux

Alors je prends de l'avance, en prenant du recul
Car prendre du recul c'est prendre de l'Ã©lan(Guru)
I come in peace, but sucka's always trying to front, so
I gotta let 'em know, gotta let 'em know
This ain't no game, bub, cause you could wind up dead
with bullets to the head from the posse's lead
I'm like your mentor, and this is for your benefit
so hear the noise,cause the rude boys ain't havin' it
It's...Chorus(MC Solaar)
En prophÃ©te de la fÃ¢te, je suis contre ceux qui fÃ¢tent
la dÃ©faite de la fÃ¢te, alors faites attention
Cette recette intercepte les adeptes trouble-fÃ¢te
Et le son, domine la situation
Le bien et le mal, situation critique
ProblÃ©me politique, Ã©thique et techniques, OK man, tout s'explique(Guru)
Yeah, my man MC Solaar in the house,
I'm known as the Guru, you know that.
I got the whole posse: Jimmy James, Mikey Moos-Moos, Louche, Blackjack,
The Mack, The Ramses, Soon-E MC, Menelik, Bambi Cruz, Planet Mars
Strike, KÃ©ry James, Boom Bass, Zdar, DÃ©mocrates D,
and their whole entire crew
You know what I'm sayin'? Taking no shorts in 1993
Peace, it's the good and the bad, and I'm out
