

# Halo (Truth & Soul Session)

## Texas

Bright light city  
You're her religion  
Superstars in their own private movie  
Play just like childrenLies that take her  
Places she's never seen  
The kiss and tell of it all  
To her it seems so obsceneShe's so pretty  
Her hair is a mess  
We all love her  
To that we confessShe has a halo  
We really do adore her  
For she has a halo  
Can we touch herFor their blindness  
She sees much further  
Like on a wide-screen viewing  
Going down on herShe's so pretty  
Her hair is a mess  
We all love her  
To that we confessShe has a halo  
We really do adore her  
For she has a halo  
Can we touch herShe believes in everything  
She believes in nothing, in everythingHalo, halo, halo, halo  
Halo, halo, halo, haloShe has a halo  
We really do adore her  
For she has a halo  
Can we touch herShe has a halo  
We really do adore her  
For she has a halo  
Can we touch herShe believes in everything  
She believes in nothing, in everything  
She believes in everything  
She believes in nothing, in everythingFor she has a halo  
She has a halo
