

Forever

Majid Jordan

Can't stop the way that you make me feel, feel
Something about this just feels so real
Ah, can't stop the way that you make me feel (me feel, feel)
Something about this just feels so real
When you know that I (I need to know)
You hoping, to mean it, tonight
So I'm hoping, that maybe, you might 'Cause you know I want to, I want to
But I just can't keep it together
And you know I want to, I want to, I want it to last forever
Want it to last forever
Want it to last forever
Want it to last forever Can't stop the way that you make me feel
Some things in life you just can't conceal
Ah, can't stop the way that you make me feel
But tonight, time is on our side, time is on our side
Some things in life you just can't conceal
So why, why don't we try? Why don't we try?
(I need to know x8)
You hoping, to mean it, tonight
So I'm hoping, that maybe, you might 'Cause you know I want to, I want to
But I just can't keep it together
And you know I want to, I want to, I want it to last forever
Want it to last forever
Want it to last forever
Want it to last forever Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh
Ooooooh, ooh, ooh Why don't we try? Why don't we try?
