Seattle

The Hackensaw Boys

Who else would be
Calling me at three a.m.
Just to tell me
You're still there
The sky's still falling
Tell me what you
Need to hear this time to make it count
And to get you out of

Seattle, I don't know why
You stand under the clouds expecting to stay dry
Can't you see the day you'll ever win
That battle
Is the day they'll take the rain out of Seattle

He's still got that
Hold on you that makes you crazy
Your bags are packed
But you don't really plan on leaving
Why do you wait?
All that city does is bring you down
And you could get out of

Seattle, I don't know why
You stand under the clouds expecting to stay dry
Can't you see the day you'll ever win
That battle
Is the day they'll take the rain out of Seattle

Seattle

Fall, fall, falling
Oh, the sky keeps falling
And it gets so heavy on your heart
Fall, fall, falling
Oh, the tears keep falling
And you keep staying where you are

Seattle, I don't know why
You stand under the clouds expecting to stay dry

Seattle, I don't know how
I'm supposed to help you if you won't leave town
Oh, can't you see the day you'll ever win
That battle
Is the day they'll take the rain out
The day they'll take the rain out of
Seattle
Seattle

Oh, can't you see
You'll never take the rain out of
Seattle
Seattle
