

# I Like It Heavy

## Halestorm

Advisory - the following lyrics contain explicit language:

Some like beautiful, perfect and pretty  
I see the good in the bad and the ugly  
I need the volume one louder than ten  
I put the pedal to the metal, needle into the red  
If the windows ain't shaking  
Making my heart race  
If I can't feel it in my chest  
I'm in the wrong damn place! I got a demon in my soul and a voice in my head  
It's saying go, go, go! I can sleep when I'm dead  
There's a sonic revelation bringing me to my knees  
And there's a man down below who needs my sympathy  
I got a ringing in my ears getting ready to burst  
Screaming "hallelujah, hallelujah take me to church" I like it louder than the boom  
Of a big bass drum  
I need it harder than the sound  
Of a guitar grunge  
I love to crank it up  
Make it thump  
And evil to the core  
Headbanging in the pit  
And throwing my horns  
And just like old school  
Sabbath, Zeppelin and Lemmy  
I need to drop it down low  
And make it heavy  
I like it heavy, oh ohh  
I like it heavy, oh ohh I ride the lightning, roll with the thunder  
I'm going down down down with my sisters and brothers  
I fell in love with their darkest parts  
Stand on the side of the wild at heart  
I plucked the feather off a crow so I could fly  
Since I was thirteen years old I've had my fist to the sky I like it louder than the boom

Of a big bass drum  
I need it harder than the sound  
Of a guitar grunge  
I love to crank it up  
Make it thump  
And evil to the core  
Headbanging in the pit  
And throwing my horns  
And just like old school  
Sabbath, Zeppelin and Lemmy  
I need to drop it down low  
And make it heavy  
I like it heavy, oh ohh  
I like it heavy, oh ohh I like it, I like it, I like it heavy  
I like it, I like it, I like it heavy  
I like it, I like it, I like it heavy  
I like it, I like it, I like it heavy Some like beautiful, perfect and pretty  
I see the good in the bad and the ugly I like it heavy, oh ohh  
I like it heavy, oh ohh I like it, I like it, I like it heavy  
I like it, I like it, I like it heavy  
I like it, I like it, I like it heavy  
I like it, I like it, I like it heavy Take me home tonight I, do anything with you  
Buy a bottle of whiskey, we'll get matching tattoos  
Tell me that you love me, oh let me drive your car  
We can sit to morning light, just countin' every stars  
'Cause if there's a Hell, I'll meet you there  
And if there's a Heaven, they're serving beer  
And if you're an angel then, I must be high  
Oh if there's a church, it's rock 'n roll  
If there's a devil, I sold my soul  
And it's alright whatever we do tonight  
'Cause if there's a God dammit she won't mind  
If there's a God, baby she won't mind
