

# Girlye Girlye

Sophia George

Young man you too girlye girlye you jus a flash it round the worldie  
Young man you too girlye girlye you jus a flash it round the worldie.  
Him have one up here  
one down there  
One in Hannover  
one down a vere.  
One she's a lawyer  
one she's a doctor  
One wen dem work with a little contractor.  
One down a east  
one down a west  
Him have one up north and two down south  
One a sell cigarettes on the roundabout -  
lord.  
Young man you too girlye girlye you jus a flash it round the worldie  
. . . Him have one go a school  
one gawn fool fool  
Him have one everytime me say she thinks a she rules  
One she a nurse she say she come first  
The other night them going out dem pick her new purse.  
One a sell star  
one work in a bar  
A she can smile when the two a dem a spar  
One gettie gettie  
one frettie frettie  
And him no drink no other milk but Betty.  
You too girlye girlye you jus a flash it round the worldie  
worldie  
. . .  
You too girlye girlye you jus a flash it round the worldie  
. . .  
Young man you too girlye girlye you jus a flash it round the worldie  
. . . Him have one up here  
one down there  
. . .  
One a go a school and one fool fool.  
You too girlye girlye you jus a flash it round the worldie  
. . . A big fat one who a go go dancer  
A little slim one who's a radio announcer.  
One highty highty  
one flighty flighty  
And before him grow old he want one a North Pole.  
One in a London  
one in a Japan  
one in a Scotland  
one in a Finland  
One in a Taiwan  
one in a Iran  
one in a Greenland  
one in a Iceland.  
One in Canada  
one Uganda  
one America  
one Cuba  
One Antigua  
one Grenada  
one a China  
and one India.  
One Bolivia

one Torguga  
one a Ghana  
one EthiopiaOne Russia  
one Syberia  
one a Syria  
one Tanzania.  
One Australia  
one Aruba  
one Asia  
one Australia.Young man you too girlie girlieYou jus a flash it round the worldie.
