

# Teachers

## 2 Many DJ's

Imperial, righteous respects  
'Cause we ain't done yet  
Lock it down  
And overthrow all the pilots  
And get out of town  
Can you see them smiling  
Blisters, these bones are breaking  
Whispers are louder than screaming  
And we suffer this moment  
Until the day is coming  
That we'll reign forever  
Training day  
'Cause I man is coming and we are the teachers  
Training day  
We been through the fire, 'cause we're pioneers  
Training day  
The soul of the lion, Jah love for the bleeding  
Training day  
Warrior soldiers, we still believe you  
Crawling through poison I lay  
My soul still flies with broken wings  
And the sun is blinding, I can't stop staring  
I don't wanna close my eyes  
Righteous respects  
And it's the best kept secret  
And I can let go of my burdens  
That keep me from living  
So I can start dying  
Training day  
'Cause I man is coming and we are the teachers  
Training day  
We been through the fire, 'cause we're pioneers  
Training day  
The soul of the lion, Jah, love for the bleeding  
Training day  
Warrior soldiers, we still believe you  
Warriors  
Jah love for the bleeding  
Jah soldiers

We still believe you  
Crawling through poison I lay  
My soul still flies with broken wings  
And the sun is blinding, I can't stop staring  
I don't wanna close my eyes  
Training day  
'Cause I man is coming and we are the teachers  
Training day  
We been through the fire, 'cause we're the pioneers  
Training day  
The soul of the lion, Jah, love for the bleeding  
Training day  
Warrior soldiers, we still believe you  
'Cause I man is coming and we are the teachers  
'Cause I man is coming and we are the teachers  
'Cause I man is coming and we are the teachers
