South side niggaz gettin  
So what's the fuss then?

[Scat-D]

Scat-D come through  
Chicks wanna talk bout baby-making (huh)  
I'm not into that, fuck that, ladiez keep a kitty-kat

[DJ Swiss]

S-o-S...So Solid can't stop dis  
Flop this

Playa haterz wanna knock this

Are you feelin tha vibe that I give dis?

[chorus]

You cant stop dis shit you know  
We got chicks, ice, platinum whips & 2 much dough(?)  
If u wanna try and have a go  
Theres 25 of us each loaded with a gat  
Hey neuch and kaish i got a ya back!

[Neutrino]

Stuck in...  
People from school dat fink they're eight-een!

What's the funniest thing I've seen?

Too explicit to buy the CD  
It's censored, 'cause it's too cold!  
Too cold- S-Club 5...  
"Don't stop movin'"  
I stop every time I 'ear your music.  
How can people get caught like dat?  
Canabis, more like smokin crack!  
I'm sicka these fake MC's, soundin' like Mr Blobby  
Ski-bi-di-bi-di-bi-di  
Wot da fuck you on, LSD?  
Everything is bigger difference  
Find out the price, get vexed  
And then your wifey's, up at da T.V.  
Wantin' Neuchy, Creamin' her panties-  
And wen u digga her in bed, she picturin me!  
I dare ya this ma bout gettin gettin' jacked  
Or I'll break in your house, when I'm dressed in black, and I pull out ma gat!  
Strip ya naked, take your possessions,  
Then us gettin' jacked, JACKED?  
I shot myself in the leg, 'cause I'm fucking crazy like dat! (Crazy like dat...)  
[DJ Swiss]  
You can't take ma dough ya know  
Now ya know  
[Harvey]  
So Solid wanna reck this  
When I'm on the mic I bust this!  
To the beat you don't wanna test this!  
I don't give a damn man.  
Lyrical flow  
When I'm on da mic, makin tha dough, ya know  
I'm gonna hit you wit my lyrical vibe, watch the rhyme  
So Solid Crew/Oxide  
[Chorus]  
[Scat-D]  
Show me somethin'  
The man who fillin' it up, livin' it up, ..... it up!  
Runaway...no way...runaway...no way
