New York

Cat Power

Start spreading the news I'm leaving today I want to be a part of it New York, New York These Vagabond shoes Are longing to stray Right through the very heart of it New York, New York I wanna wake up in a city That doesn't sleep To find the cream of the crop At the top of the heap These little town blues Are melting away I'll make a brand new start of it In New York If I can make it there I'll make it anywhere New York It's up to you, New York
