Poor and Weird

The Briefs

I'm poor and I'm weird baby, you got no time for me
I'm poor and I'm weird baby, you got no time for me
I'm poor and I'm weird baby, you got no time for me
I'm poor and I'm weird baby, you got no time for meI'm poor and I'm weird, I'm getting weirder by the second
I used to have somebody but my alter ego spent it
I was talking to a lady sellin' something at a mall
Thinkin' 'bout a donkey, I was talkin' to a wall
I think the older I get it's more apparent to me every day, hey, hey
I fell on my head when I was just a little kidI'm poor and I'm weird baby you got no time for me
I'm poor and I'm weird baby you got no time for me
I'm poor and I'm weird baby you got no time for me
I'm poor and I'm weird baby you got no time for meThe chance that you will ever see someone like me is slim to nothing
You kinda smart babe but you got no heart
I see the clothes that people wear I see the food that people eat
I see a little purple man disappearing in the street
I think the older I get its more apparent to me everyday
I got hit on the head when I was just a little kidYeah I mind, it's funny
It's on my mind, I
I think I never want to notice, just what I did, just what I did
I think I never want to notice what I did, just what I did alrightI'm poor and I'm weird, baby you got no time for me
I'm poor and I'm weird, baby you got no time for me
I'm poor and I'm weird, baby you got no time for me
I'm poor and I'm weird, baby you got no time for meGet out a dollar baby
I'm poor and I'm weird baby you got no time for me
