

# Mystery Train

Dwight Yoakam

Train arrive sixteen coaches long  
Train arrive sixteen coaches long  
Well that long black train drop my baby and gone  
Train train coming right round the bend  
Train train coming right round the bend  
Well it took my baby but it never will again  
Train train come on down this line  
Train train rolling on down the line  
Well it's bringing my baby 'cause she's mine oh mine  
Mine oh mine, mine oh mine  
Train train coming round this bend  
Train train coming right round the bend  
Well it took my baby but it never will again  
Never again no, no, no never again
